Rules and comments

- All participating hunters must be in possession of: weapons permit, hunting license in Valencia Community and insurance in force. They must obey the laws and regulations dictated by Administration on hunting.
- Hunted trophy score will be provided in the certification of the same by the environmental agent of the Government Department from Valencia Community.
- The hunting guide will be responsible for the hunt and the rules during the same. If any inconvenience please feel free to contact the guide or the sales manager.
- The hunting is considered completed when all the trophies reserved have been obtained.
- If the hunter doesn't have the opportunity to shoot an ibex we will refund the trophy fee except a amount of 900 euros as a concept of hunting tax.
- All wounded animals (with blood) and not found must be paid by approximation:

* Initiation :	300 €
* Representative:	1.000 €
* Trophy:	2.000 €
